2/3 Hatton Street RYDF NSW

This unit is in unrenovated condition and could do with a coat of paint HOWEVER the value you can create is substantial. Good units have good bones, and this one has all the features you would generally pay a lot more for. If you are happy to do some work, this one will make you money.

Property highlights:

- -Two double bedrooms
- -Both bedrooms with built-ins
- -A complex of 6 units only
- -Security block
- -Lockup garage
- -Internal laundry
