

63 Bolwarra Avenue WEST PYMBLE, NSW

Imagine what you could do.

This three-bedroom older home has been much loved and cared for over the years. And while needing a little updating, it is ideal for a family that loves a generous backyard, peaceful cul-de-sac, and the warm winter sunshine of a northeast aspect.

It has a lower level with a student retreat, laundry and fabulous under-house storage options.

The block adjoins Lane Cove National Park giving the home a unique bush outlook in the heart of suburbia.

With schools within walking distance, it is the perfect location for family living.
